

CERTIFICATE OF COMPLETION

This certificate is awarded to

Paul Ruiz Alliata

In recognition of having completed the IE Challenge, the culmination of the IE Impact academic program, which aims to equip all IEU students with the skillsets and mindsets leaders need to drive positive change. During the 12-week IE Challenge, students apply the skillsets, mindsets, and toolsets they have learned and been developing in the three IE Impact pillar courses (Humanities, Technology, and Entrepreneurship) to problem-solve a challenge posed to them and their team.
